## ABOUT ALICIA

### Career & Leadership Development

Alicia Perkins is a Career and Professional Development Expert who helps high performing leaders achieve greater confidence, influence & impact to empower their organizations and themselves. She is sought out by corporations and organizations for her ability to teach strategies that prioritize people development in order to achieve the goals of their businesses and their employees.

A decade of experience in Human Resources recruiting and managing top talent for Fortune 100 & 500 companies led Alicia to be passionate about empowering professionals with the necessary skills to become assets in their organizations and to build careers they love.

As the founder of Prepared Careers, Alicia partners with organizations around the globe to provide customized training and solutions that bridge the gap between organizational objectives and employee performance. With a focus on communication, productivity, leadership, and personal development, she specializes in training top performers to achieve greater results.

As a speaker & consultant, Alicia delivers practical strategies, actionable insights, and expert guidance that can be applied immediately to achieve measurable results. Her collaborative, results-driven approach makes her a valuable resource for any organization looking to prioritize the professional and career growth of their employees and audiences.

## THE MISSION & VISION

My mission is to empower individuals and organizations to achieve their full potential by prioritizing people development. I envision a world where professionals have the necessary skills and strategies to achieve greater success, influence, and impact, making a positive difference in their industries, organizations and communities.

A woman with long dark hair, wearing a light blue turtleneck dress, is sitting on a white cushioned chair. She is smiling and looking towards the camera. In the background, there are large green plants. A dark horizontal bar is overlaid across the middle of the image, containing the text "Request to Book Alicia" in a white serif font. A white mouse cursor is pointing at the end of the text.
